

THE CAMERA AND THE WORLD

Train your eye to think like a camera in this intensive workshop for beginners to pros with award-winning filmmaker and educator Jim de Seve. Improve your critical visual skills through observational shooting techniques, light and movement walks, and exercises in planes, framing, perspective and sitting still. Learn how to be an architect, poet, painter and composer with your eye and camera lenses.

Sun., April 18, 1-5pm

Sanctuary for Independent Media, 3361 6th Ave., Troy, NY 12180

Fee: \$40 or \$100 for 3 workshops in the series
